Kitscoty Community Track Area Rehabilitation & Enhancement Project

The Kitscoty Community Track is being renewed after forty years of usage! Over the past two years, the long / triple jump pit has been excavated, lined with landscape ties and refilled with sand as well as paving the runway. In addition, a new shot-put throwing circle has been poured and a throwing sector edged. The updates completed to this point have resulted in an exciting increase in the youth using the facility. With the new facilities many personal and team best performances have been witnessed at the Highway 16 and Buffalo Trail competitions at the junior high age level. Kitscoty High School has won the Highway 16 banner two out the last three years and we have had the gold medal aggregate winner for five out of six age categories in the past two years. Similarly at the senior high level, more athletes from Kitscoty are now qualifying for events in Zone and Provincial competitions.

A topographic survey of the track has been completed. The survey will be used to complete the next phase of the project which includes addressing the track drainage issues, shaping, grading and re-graveling the track as well as establishing proper 100 m running lanes. Lastly, a discus throwing circle will be poured and surrounding safety fence will be erected. This phase will be completed in the summer of 2025 and spring of 2026.

The cost of the entire project is estimated at approximately \$131 000. To date the support received is approximately \$45 000. We are looking for your generous support to complete the project!!
